

**Arlington**  
**Retail Sales Tax New Location Codes**  
**Effective July 1, 2022**

**Effective July 1, 2022**, new location codes are established within certain areas of the Stillaguamish Tribe's boundary. Activity between non-tribal businesses and non-tribal members within these areas, defined by the attached map, should be reported to location code 3123. The new location code represents a reporting change only; **the rate has not changed**.

Non-tribal persons or businesses within this boundary will report use tax to the new location code on items purchased for their personal or business use if sales tax has not been paid.

The location code for sales and use tax is:

| Location                        | Location Code | Local Sales Tax Rate | State Sales Tax Rate | Total Sales Tax Rate |
|---------------------------------|---------------|----------------------|----------------------|----------------------|
| Stillaguamish Tribe – Arlington | 3123          | .028                 | .065                 | .093                 |

For tribal owned or tribal member owned businesses, please continue to report to the existing location code.
